

If you buy groceries... you can help *The Living Bank!*

The simple act of buying milk or bread at you neighborhood **Kroger** or **Randalls** grocery store can help *The Living Bank* continue its work to educate the public about the importance of organ donation. The two grocery chains operate charitable donation programs that give you an easy opportunity to help *The Living Bank* at *no cost to you!*

Take this letter with you to your neighborhood **Kroger** store the next time you go shopping. Present the letter with your organization's barcode to the cashier upon checkout. After they have scanned your **KrogerPlus** Card you will be enrolled for the current year of the **Kroger Neighbor to Neighbor Donation Program**. Every time you shop at Kroger and use your enrolled **KrogerPlus** Card, Kroger will contribute a percentage of your eligible purchases to the **Kroger Neighbor to Neighbor** donation fund. Once a card is scanned with the barcode, it will be active for the remainder of the program year.

THE LIVING BANK

Kroger Cashier:

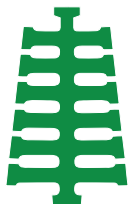

Please scan customer's **KrogerPlus** Card at the beginning of the order and then the barcode. The customer's **KrogerPlus** Card is now enrolled in the **Kroger Neighbor to Neighbor Donation Program**.

At Randalls...

The next you are at **Randalls**, ask the checkout clerk to link your **Remarkable Card** to the **The Living Bank Number 1116** (see sample card).

You do not need a separate card. Once your **Remarkable Card** is linked, *The Living Bank* will receive a percentage of our total sale ever time you shop at **Randalls**.

The card also makes you eligible for special promotions from **Randalls**.
